# 2002 Workshop on GAME–T

## and hydrometeorological studies in Thailand and Southeast Asia

**Chiang Rai, Thailand**

**29th–31th October, 2002**

Organized by

National sub–Committee for GAME–Tropics in Thailand and

Japan sub–Committee for GAME–Tropics

Sponsored by

Ministry of Education, Culture, Sports, Science and Technology, Japan, and

National Research Council of Thailand

### Objectives

The Workshop aims to provide an opportunity to discuss on hydrometeorolgical studies and water resources studies for Thailand and Southeast Asia related with ***GEWEX*** Asian Monsoon Experiment (**GAME**) – Tropics (**GAME-T**). Since **GAME** has just entered its 2nd phase of synthetic analysis and modeling, the Workshop will play a role as a kick-off meeting of the new stage.

A major part of the Workshop may be devoted to the presentations of synthetic research results obtained through the fruitful GAME-T campaigns. Another part will be arranged for every kind of general presentations which will enlarge our knowledge and perspective for our extended collaborations in the future.

Many participants in Asian countries, and other countries, interested in research related to the above topics, are expected to contribute to the Workshop.

# Tentative Schedule of the Workshop

- 29th-30th October
  - Presentations on hydrometeorological and water resources studies, which can be related with GAME-Tropics, will be provided.
  - Future plans will be discussed as well.
  - Expected topics are listed below.
    - Flood and drought
    - Land surface flux observation, analysis and modeling
    - Climatology over Southeast Asia
    - Water resources in Southeast Asia
    - Remote sensing for hydro-meteorological applications
    - Analysis of atmospheric observation for hydrometeorology
    - Radar rainfall observation and analysis
    - Hydrological observation and water balance studies
    - Radiation and aerosols over Southeast Asia
    - Hydrological modeling and flood modeling
    - Atmospheric modeling and climate modeling
    - Water, society, and management
    - GPS observation of precipitable water
    - Stable isotope in hydrological cycles
    - Land use and hydrological cycles
    - Others
  - 15-minute presentation and 10-minute discussion will be arranged for each speaker.

- 31st October
  - A half day excursion is planned for surveying the hydrological situations around Chiang Rai.

- 1st November (not the Workshop itself)
  - It is planned to have a full-day special seminar with lecture series **in Bangkok**. The seminar is not included in the Workshop, but is for young and/or important scientists, engineers, water managers and public officers who are not able to leave Bangkok.

Mail to: Participants in Thailand

Ms. Mathuros Sumipan, Director,
Translation and Foreign Relations Division
National Research Council of Thailand
196 Phaholyothin RD., Chatuchak, Bangkok 10900, Thailand
Tel and Fax. +66 2 579 2285, FAX. +66 2 561 3049
E-mail address :
mathuros@nrct.go.th, (cc:charuwan@loxinfo.co.th)

Participants in other countries (including Japan)

Dr. Shinjiro Kanae
Institute of Industrial Science, University of Tokyo
4-6-1 Komaba, Meguro-ku, Tokyo 153-8505, JAPAN
Tel. +81 3 5452 6381 or 2, FAX. +81 3 5452 6383

| Title: | | |

## Registration and Proceedings

Participants of the Workshop are invited to present a paper on the topics under areas of concern. Authors who wish to present a paper are kindly requested to complete the attached Registration Form and mail it to one of the Workshop offices respectively before 15th August, 2002. Abstract proceedings of the Workshop will be published after the Workshop. For the proceedings, two-page abstracts are requested to be submitted it before the Workshop. Longer abstracts can be submitted. The deadline and others are described below.

## Abstract

A two-page (or longer up to 6-page) comprehensive abstract in A4 should be typed single spaced in English with figures. The paper title, author(s), complete name(s), their affiliations(s), full mailing address(es) must be included. A copy of each abstract should be submitted to the Workshop secretariat before/at the Workshop. A program of the Workshop will be available on http://hydro.iis.u-tokyo.ac.jp/GAME-T/ in the end of August, 2002.

## Important Dates

- **Deadline for the Submission of Registration Form**
  **15th August, 2002**
- **Deadline for the Abstract**
  **before/at the Workshop**
- **Date of the Workshop**
  **29th–31st October, 2002**
